

# The Attacker

*An Articulation Management system using a continuous air flow strategy.*

Peter Voisin

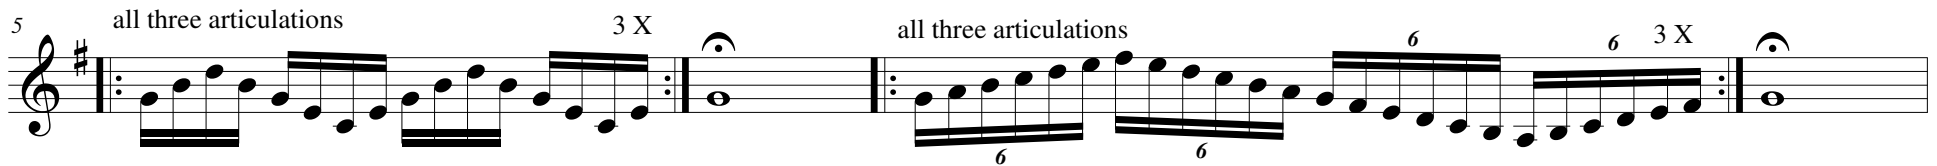

09/07/2014

The articulation and air will strengthen the embouchure and create a more responsive aperture.

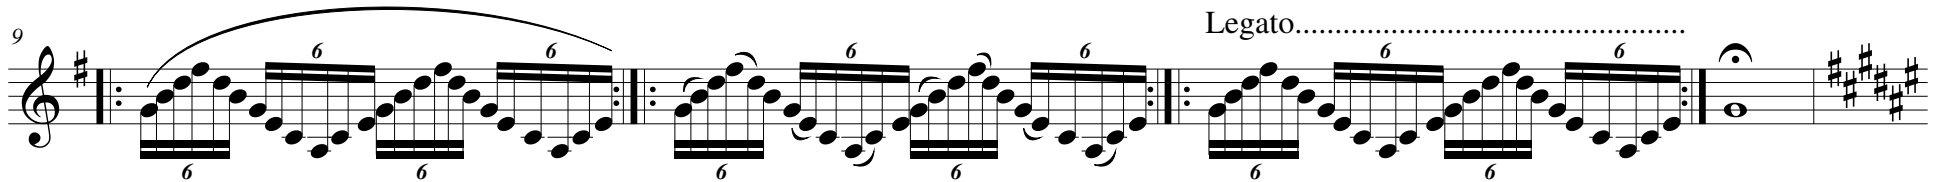

| Articulation Drill | Play & Rest | Harmon Stem Out | *mp* | then open | *mf* |

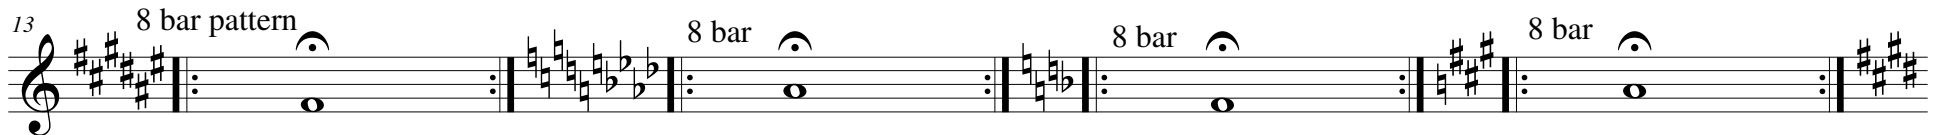

5 all three articulations 3 X all three articulations 6 6 3 X

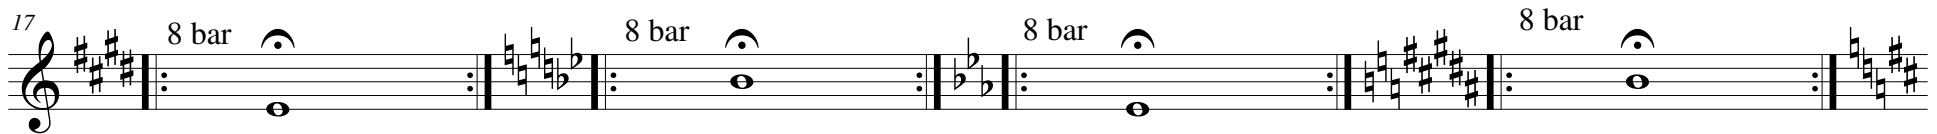

9 Legato.....

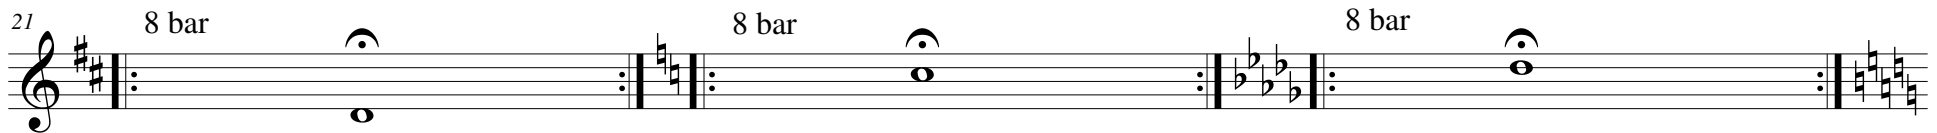

13 8 bar pattern 8 bar 8 bar 8 bar

17 8 bar 8 bar 8 bar 8 bar

21 8 bar 8 bar 8 bar

Vary articulation patterns to strengthen the embouchure and a more responsive aperture.
